1. Munich Base files contain no traces on Subject.

2. DMF/INTRO's files indicate that Subject, born circa 1912, 17) was tall, dark brown hair, has brown eyes and wears glasses. V-1085 (identity under separate cover) who runs a translation Bureau in Dusseldorf, requested traces on Subject in February 1957 after receiving a letter from Subject offering to assist V-1085 with any translations he was unable to handle. The DMF/INTRO used Subject's Translation Bureau on two occasions. DMF/INTRO had coworkers in London, Sheffield, Brussels, Madrid, Lisbon, Stockholm, Berlin, Paris and New York, and can handle translations in all the Eastern languages as well as Chinese. The query originated by V-1085's Dusseldorf 24 was based on security grounds as a precautionary measure in an attempt to check out Subject. DMF/INTRO has no other interest in Subject, and had no other information on him.
